E&MJ FEATURE INDEX

1989 Volume 190 Numbers 1 through 12.

This index lists the feature articles and leading news stories published in E&MJ from January through December 1989. For ease of use, all articles are listed alphabetically and cross referenced under the headings of AUTHOR, COMMODITY, COMPANY, COUNTRY, and TITLE.

AUTHOR

Allen, John
Tin . . . . . Mar 57

Anderson, M. Norman
Canadian gold today... and tomorrow? . . . . . Feb C1

Bourke, William O.
Aluminum . . . . . Mar 31

Boydell, D.W.
Roasting of refactory Au at New Consort . . . . . Dec 26

Bunting, Robert M.
Tungsten . . . . . Mar 41

Clow, Byron B.
Magnesium . . . . . Mar 38

Christian, Jeffrey M.
Platinum . . . . . Mar 39

Cooper, Harrison R.
New technology provides better crushed-ore sampling results Jun54

Crosby, W.A.
How to cut drilling and blasting costs . . . . . Feb 58

Dayton, Stanley H.
Gold rush heads north . . Feb C7
Major sources of Canadian gold . . . . . Feb C12A
Profiles in Canadian gold mining . . . . . Feb C5

Eckert, G.F.
Sulphur . . . . . Mar 54

Elliott, Andrew
Potash . . . . . Mar 48

Fedelli, Patricia C.
Innovation leads to assets at the Paradise Peak mine . Jan N25

Fenton, Colin
Gold . . . . . Mar 62

Ferreira, P.M.
Roasting of refactory Au at New Consort . . . . . Dec 26

Hammond, Ian
CRA, corporate profile . . Aug 40

Hartland, J. Barry
Molybdenum . . . . . Mar 19

Herkenhoff, Earl C.
Mining and processing equipment can assist in future garbage disposal . . . . . Jan 108

Hogan, William T.
Iron and steel . . . . . Mar 35

Hollaway, John
Gold assaying for small mines Jun 46

Houlding, Simon W.
3-D component modeling of thin-seam deposits . . . . . Jul 28

Kafka, Alan S.
Lead . . . . . Mar 27

Kaiser, Marvin K.
Silver . . . . . Mar 32

Kielty, E.
Cobalt . . . . . Mar 30

Kleinman, Robert L.P.
Acid mine drainage . . . Jul 161*

Knott-Craig, K.
Roasting of refactory Au at New Consort . . . . . Dec 26

Lawrence, Bruce J.
Mercury . . . . . Mar 43

Lee, Hugh Mellanby
Coal . . . . . Mar 52

Lewis, William
Cominco improves lead production Sept 35

Lynd, Langtry E.
Titanium . . . . . Mar 60

Marbeau, Dr. Jean-Paul
The importance of modeling . . . . . Nov 22

Manshreck-Head, Marguerite
Nickel . . . . . Mar 24

Marks, John R.
Computers in ventilation . Nov 26

McCarthy, James
Chimney Creek gains control-room flexibility . . . . . Jan N33

McCulla, M.S.
Mt. Kare: A landslide of gold . . . . . Jun 36

Millenacker, Daniel J.
In-situ mining . . . . . Sept 56

Nilsson, Dan
Mining productivity summary Sept 51

Odenwald, Bernd Helmut
Pre-fracturing iron ore saves grinding costs . . . . . May 41

Peters, Robert H.
Management and mine safety Aug 22M*

Premoli, Camillo
Vietnamese metallic mineral resources . . . . . Dec 31

Scovell, L.M., and L.K. Nordell
Using computers to design conveyors . . . . . Nov 62

Sporleder, Lisa E.
Exploration leads to expansion Jun 48
Gold probe . . . . . Jul 32
Highland Valley copper . . Aug 44
Mining engineering students hit the rocks . . . . . May 18Q
Newmont: new projects, new methods, new mines . . . Jan N10
Silver state turns to gold . Jan N7
Spotlight on Nevada's gold mining companies . . . . . Jan N39

Sporos, Paul
Overland conveyor in a sensitive environment . . . . Aug 221*

Stowasser, William F.
Phosphate . . . . . Mar 49

Strauss, Simon D.
Copper . . . . . Mar 17

Suttill, Keith R.
Alluvial mining grows in popularity Nov 42
Bio-oxidation for refractory gold . . . . . Sept 31
Fabulous Almaden . . . . Feb 24
Ghana's golden glow . . . Jun 22
Grinding mills: New technology is permitting ever larger mills . . . . . May 34
Iberian mining . . . . . Feb 22
Larger sizes still dominate flotation cell applications . . . . Jan 98
Mechanizing small mines . Dec 20
Neves Corvo, Europe's El Dorado . . . . . Aug 48
Report from Peru . . . . . Nov 38
RTZ, corporate profile . . Aug 32
Solvent extraction, a key in maintaining copper production . . . . . Sept 24
Spanish coal: mining steep and thin seams at Hunosa . . . April 43
Thick-seam coal mining at Hullera Vasco-Leonesa . . . . May 30
Troya is Spain's newest base metal mine . . . . . Feb 28

Taylor, Charles D.
Water-jet assist improves shearer performance . . . . . April 37

Thimons, Edward D.
Water-jet assist improves shearer performance . . . . . April 37

Tinsley, C. Richard
Manganese . . . . . Mar 38

Todd, Joan C.
Gold loans . . . . . Aug 57

Welsh, T.C.
Mt. Kare: A landslide of gold . . . . . Jun 36

White, George
Uranium . . . . . Mar 45

Wylie, Robert J.M.
Boliden's new-look international exploration thrust . . . . . Jul 22
In-pit crushers . . . . . May 22
Saattopora, new gold mine in Lapland . . . . . Jun 40

Yates, Edward M.
Zinc . . . . . Mar 21

Zaburunov, Steven A.

* Appears only in copies within North America.
** Appears only in copies outside North America.

E&MJ FEATURE INDEX—1989

Haul Trucks: Growing smarter, getting better . . . . . April 28
Ridgeway . . . . . Aug 52

Zeller, A.F.
Trona . . . . . Mar 60

COMMODITY

Aluminum
Commodity review . . . . . Mar 31

Chromite
Philippine mines look to long-term expansion . . . . . May 15

Coal
Coalprep 89: Fine-tuning plants for improved product quality . . . . . Aug 22E**
British coal presents best results in 20 years . . . . . Sept 88
Commodity review . . . . . Mar 52
Production up at several Iscor operations . . . . . April 70
Spanish coal: mining steep and thin seams at Hunosa . . . . . April 43
Thick-seam coal mining at Hullera Vasco-Leonesa . . . . . May 30
Water-jet assist improves shearer performance . . . . . April 37

Cobalt
Commodity review . . . . . Mar 30

Copper
Alluvial mining grows in popularity . . . . . Nov 42
Boliden's new-look international exploration thrust . . . . . Jul 22
Chino Mines dedicates new SX/EW operation . . . . . Jan 13
Commodity review . . . . . Mar 17
Haiti Cu-Au deposits up for development . . . . . Jul 16
High-grade Namew Lake Ni-Cu mine starts up in Manitoba . . . Jan 14
Highland Valley copper . . . Aug 44
Implications for copper . . . Sept 88
In-situ mining . . . . . Sept 56
Indian copper mine's record output Aug 16
Microwaves eliminate cables . . . . . Sept 41
Mixed futures for copper and gold, experts say . . . . . Nov 81
Neves Corvo, Europe's El Dorado Aug 48
Ok Tedi achieves its targets . Sept 15
Outokumpu/Pancontinental Thalanga mine gets go ahead . . . . Mar 87
Philippine mines look to long-term expansion . . . . . May 15
Solvent extraction, a key in maintaining copper production . . . Sept 24
Troya is Spain's newest base metal mine . . . . . Feb 28
Will there be a copper concentrate oversupply problem? . . . Jun 87

Gold
A toast to the Champagne mine . . . . . Aug 15
Alluvial mining grows in popularity . . . . . Nov 42
Barrick Resources will develop Betze gold deposit . . . . . Mar 11
Battle Mountain makes two major moves . . . . . May 59
BHP Gold Mines production up 44% . . . . . Aug 82
Bio-oxidation for refractory gold . . . . . Sept 31
Boliden develops gold mine in Saudi Arabia . . . . . April 70
Boliden will develop Akerberg gold mine . . . . . Jan 17
Boliden's new-look international exploration thrust . . . . . Jul 22
Brazilians plan direct gold-buying strategy . . . . . April 11
Canada uses most gold for coinage . . . . . Nov 82
Canadian gold mining review Feb C1
Canadian gold today... and tomorrow? . . . . . Feb C1
Chimney Creek gains control-room flexibility . . . . . Jan N33
Cominco Resources International's first year achievements . . May 15
Commodity review . . . . . Mar 62
Comparison of spray- and drip-leaching systems . . . . . Jan N51
Cosmo Howley starts up carbon-in-leach plant . . . . . Jun 13
Cyprus Minerals to restructure South Pacific gold . . . . . Nov 83
Echo Bay announces new Kettle River gold mine . . . . . Jan 17
Exploration leads to expansion . . . . . Jun 48
Exploring for placer gold by geomagnetic surveys . . . . . Jan N55
For sale: Joint venture share of Martha Hill . . . . . May 11
Ghana's golden glow . . . . Jun 22
Ghana-Australian goldfields will develop gold mine . . . . . Jan 13
Gold assaying for small mines Jun 46
Gold from France . . . . . Sept 90
Gold loans . . . . . Aug 57
Gold probe . . . . . Jul 32
Gold rush heads north . . . . Feb C7
Golden Cross posts largest bond in New Zealand mining history . . . . . Jul 14
Haiti Cu-Au deposits up for development . . . . . Jul 16
Hecla Mining's two millionth ounce of gold . . . . . Sept 11
Indonesia joins the gold rush April 9
Innovation leads to assets at the Paradise Peak mine . . . . . Jan N25
Irish successes . . . . . Dec 13
Major sources of Canadian gold . . . . . Feb C12A
Mine software increases productivity and solves dilemmas . . Jan N52
Mixed futures for copper and gold, experts say . . . . . Nov 81
Mt. Kare: A landslide of gold Jun 36
Neptune Resources first gold development . . . . . Aug 16
Nevada gold mines and mills, a tabulation . . . . . Jan N55
New technology provides better crushed-ore sampling results . . . . . Jun 54
Newmont: new projects, new methods, new mines . . . . . Jan N10
Peruvian projects underway—and not Dec 15
Philippine mines look to long-term expansion . . . . . May 15
Pioneer Metals gets loans for two gold mines . . . . . Aug 16
Placer Pacific's Misima open-pit gold mine opens . . . . . Sept 95
Profiles in Canadian gold mining Feb C5
Ridgeway . . . . . Aug 52
Roasting of refactory Au at New Consort . . . . . Dec 26
Saattopora, new gold mine in Lapland . . . . . Jun 40
Silver state turns to gold . . Jan N7
Spargos' new carbon stripper . . . . . Aug 16
Spotlight on Nevada's gold mining companies . . . . . Jan N39
Swedish gold project opened at Bjorkdal . . . . . Feb 15
Tenneco Minerals starts gold production in Utah . . . . . Jul 11
Vietnamese metallic mineral resources . . . . . Dec 31

Ilmenite
DuPont hopes to increase ilmenite mining . . . . . Mar 16K*
New ilmenite project for Renison Gold Fields . . . . . Aug 82

Iron and Steel
$30 million Tilden magnetite project proceeds on schedule . . . Mar 9
BHP's $50 million open-pit iron development . . . . . Jun 15
Commodity review . . . . . Mar 34
Pre-fracturing iron ore saves grinding costs . . . . . May 41
Production up at several Iscor operations . . . . . April 70

Lanthanides
Rare earth joint venture in China . . . . . Feb 15
Rare earths plant work begins Aug 83
Vietnamese metallic mineral resources . . . . . Dec 31

Lead
Boliden's new-look international exploration thrust . . . . . Jul 22
Bunker Hill looks to the future . . . . . Jul 14
Cominco improves lead production Sept 35
Commodity review . . . . . Mar 27
Irish successes . . . . . Dec 13
MIM announces long-term lead-zinc expansion strategy . . . . Jan 14
Outokumpu/Pancontinental Thalanga mine gets go ahead . . . . Mar 87
Troya is Spain's newest base metal mine . . . . . Feb 28

Magnesium
Commodity review . . . . . Mar 38

Manganese
Commodity review . . . . . Mar 36

Mercury
Commodity review . . . . . Mar 43
Fabulous Almaden . . . . . Feb 24

Molybdenum
Commodity review . . . . . Mar 19

Nickel
Commodity review . . . . . Mar 19
High-grade Namew Lake Ni-Cu mine starts up in Manitoba . . . Jan 14
Nickel's major contested merger . . . . . Sept 95
Philippine mines look to long-term expansion . . . . . May 15

Phosphate
Commodity review . . . . . Mar 49
Florida phosphate makes a comeback . . . . . Mar 16N*

Platinum
Commodity review . . . . . Mar 39

Potash
Commodity review . . . . . Mar 48

Silver
Alluvial mining grows in popularity . . . . . Nov 42
Bunker Hill looks to the future Jul 14
Commodity review . . . . . Mar 32
Outokumpu/Pancontinental Thalanga mine gets go ahead . . . . Mar 87

Sulphur
Commodity review . . . . . Mar 54

Tin
Alluvial mining grows in popularity Nov 42
Commodity review . . . . . Mar 57
Eimco-Tamarock cooperation . . 13
LME to resume tin trading . . Jun 87
Neves Corvo, Europe's El Dorado . . . . . Aug 48
Production up at several Iscor operations . . . . . April 70
Vietnamese metallic mineral resources . . . . . Dec 31

Titanium
Commodity review . . . . . Mar 60
Vietnamese metallic mineral resources . . . . . Dec 31

Trona
Commodity review . . . . . Mar 50

Tungsten
Commodity review . . . . . Mar 41

Uranium
Commodity review . . . . . Mar 45

Zinc
Boliden's new-look international exploration thrust . . . . . Jul 22
Bunker Hill looks to the future Jul 14
Commodity review . . . . . Mar 21
Irish successes . . . . . Dec 13
MIM announces long-term lead-zinc expansion strategy . . . . Jan 14
Outokumpu/Pancontinental Thalanga mine gets go ahead . . . . Mar 87
Production up at several Iscor operations . . . . . April 70
Troya is Spain's newest base metal mine . . . . . Feb 28

COUNTRY

Australia
BHP Gold Mines production up 44% . . . . . Aug 82
BHP's $50 million open-pit iron development . . . . . Jun 15
Cosmo Howley starts up carbon-in-leach plant . . . . . Jun 13
CRA, corporate profile . . Aug 40
Exploration leads to expansion Jun 48
MIM announces long-term lead-zinc expansion strategy . . . Jan 14
New ilmenite project for Renison Gold Fields . . . . . Aug 82
Outokumpu/Pancontinental Thalanga mine gets go ahead . Mar 87
Rare earths plant work begins . . . . . Aug 83
RTZ and BP terminate the Olympic Dam Agreement . . . . Nov 83
Source of Copeton diamonds found . . . . . Dec 13
Spargos' new carbon stripper . . . . . Aug 16
Bolivia
Battle Mountain makes two major moves . . . . . May 59
Bolivian mining picks up . Sept 11
Brazil
Brazilians plan direct gold-buying strategy . . . . . April 11
Exploration leads to expansion . . . . . Jun 48
Pre-fracturing iron ore saves grinding costs . . . . . May 41
Burkina Faso
Boliden's new-look international exploration thrust . . . . . Jul 22
Canada
Canada uses most gold for coinage . . . . . Nov 82
Canadian gold mining review Feb C1
Canadian gold today... and tomorrow? . . . . . Feb C1
Cominco improves lead production Sept 35
Gold probe . . . . . Jul 32
Gold rush heads north . . Feb C7
High-grade Namew Lake Ni-Cu mine starts up in Manitoba . . Jan 14
Highland Valley copper . . Aug 44
Implications for copper . Sept 88
Inco brings saplings to surface for reforestation . . . . . Jul 15
Major sources of Canadian gold . . . . . Feb C12A
Mining productivity summary Sept 51
Neptune Resources first gold development . . . . . Aug 16
New North American partners in mining . . . . . Jul 15
Nickel's major contested merger . . . . . Sept 95
Pioneer Metals gets loans for two gold mines . . . . . Aug 16
Profiles in Canadian gold mining Feb C5
Chile
Cominco Resources International's first year achievements . May 15
China
Rare earth joint venture in China . . . . . Feb 15
Finland
Outokumpu pursues reorganization plant . . . . . Jan 17
Outokumpu/Pancontinental Thalanga mine gets go ahead . Mar 87
Saattopora, new gold mine in Lapland . . . . . Jun 40
France
Gold from France . . . . Sept 90
Germany, West
Bergbau 89 . . . . . April 17
Ghanaian-German mineral prospecting project winds up . . April 11
Metallgesellschaft buys Copper Range Co. of Michigan . Mar 87
Water-jet assist improves shearer performance . . . . . April 37
Ghana
Ghana's golden glow . . . Jun 22
Ghana-Australian goldfields will develop gold mine . . . . Jan 13
Ghanaian-German mineral prospecting project winds up . . April 11
Haiti
Haiti Cu-Au deposits up for development . . . . . Jul 16
India
Indian copper mine's record output . . . . . Aug 16
Indonesia
Indonesia joins the gold rush . . . . . April 9
Ireland
Irish successes . . . . . Dec 13
Mexico
New Mexican code of regulations promotes foreign investments . . . . . Dec 15
New Zealand
For sale: Joint venture share of Martha Hill . . . . . May 11
Golden Cross posts largest bond in New Zealand mining history . . . . . Jul 14
Papua New Guinea
Battle Mountain makes two major moves . . . . . May 59
Implications for copper . Sept 88
Mt. Kare: A landslide of gold . . . . . Jun 36
Ok Tedi achieves its targets . . . . . Sept 15
Placer Pacific's Misima open-pit gold mine opens . . . Sept 95
Peru
Report from Peru . . . . . Nov 38
Peruvian projects underway—and not . . . . . Dec 15
Philippines
Government programs pose problems in the Philippines . Dec 47
Philippine mines look to long-term expansion . . . . . May 15
Portugal
Iberian mining . . . . . Feb 22
Neves Corvo, Europe's El Dorado . . . . . Aug 48
Saudi Arabia
Boliden develops gold mine in Saudi Arabia . . . . . April 70
Boliden's new-look international exploration thrust . . . . . Jul 22
Sierra Leone
Sierra Leone implements a new mining policy . . . . . May 13
South Africa
Gold Fields—Minorco, the saga ends . . . . . Jul 11
Production up at several Iscor operations . . . . . April 70
Roasting of refactory Au at New Consort . . . . . Dec 26
Spain
Boliden's new-look international exploration thrust . . . . . Jul 22
Fabulous Almaden . . . . Feb 24
Iberian mining . . . . . Feb 22
Spanish coal: mining steep and thin seams at Hunosa . . . . April 43
Thick-seam coal mining at Hullera Vasco-Leonesa . . . . May 30
Troya is Spain's newest base metal mine . . . . . Feb 28
Sweden
Boliden develops gold mine in Saudi Arabia . . . . . April 70
Boliden will develop Akerberg gold mine . . . . . Jan 17
Boliden's new-look international exploration thrust . . . . . Jul 22
Mining productivity summary Sept 51
Swedish gold project opened at Bjorkdal . . . . . Feb 15
Turkey
Cominco Resources International's first year achievements . May 15
United Kingdom
British coal presents best results in 20 years . . . . . Sept 88
LME to resume tin trading Jun 87
RTZ acquires BP Minerals . . . . . Feb 13
RTZ, corporate profile . . Aug 32
RTZ-BP Minerals acquisition approved . . . . . Jul 11
United States
$30 million Tilden magnetite project proceeds on schedule . Mar 9
A toast to the Champagne mine . . . . . Aug 15
Acid mine drainage . . . Jul 16I*
Accurate face surveys are essential to maximize blasting yields . . . . . Jun 16C*
Asarco seeks self-reliance . . . . . Apr 16KK*
Barrick Resources will develop Betze gold deposit . . . Mar 11
Boliden's new-look international exploration thrust . . . . . Jul 22
Bunker Hill looks to the future . . . . . Jul 14
Chimney Creek gains control-room flexibility . . . . . Jan N33
Chino Mines dedicates new SX/EW operation . . . . . Jan 13
Cominco Resources International's first year achievements . May 15
Comparison of spray- and drip-leaching systems . . . Jan N51
Echo Bay announces new Kettle River gold mine . . . . . Jan 17
Exploring for placer gold by geomagnetic surveys . . . Jan N55
Florida phosphate makes a comeback . . . . . Mar 16N*
Hecla Mining's two millionth ounce of gold . . . . . Sept 11
In-situ mining . . . . . Sept 56
Innovative materials handling methods reviewd at American Mining Congress . . . . . Nov 49
Innovation leads to assets at the Paradise Peak mine . Jan N25
Management and mine safety . . . . . Aug 22M*
Metallgesellschaft buys Copper Range Co. of Michigan . Mar 87
Microwaves eliminate cables . . . . . Sept 41
Mine software increases productivity and solves dilemmas Jan N52
Mining engineering students hit the rocks . . . . . May 18Q
Mining productivity summary . . . . . Sept 51
Nevada gold mines and mills, a tabulation . . . . . Jan N55
New North American partners in mining . . . . . Jul 15
Newmont: new projects, new methods, new mines . . . Jan N10
Overland conveyor in a sensitive environment . . . . Aug 22I*
Pioneer Metals gets loans for two gold mines . . . . . Aug 16
Ridgeway . . . . . Aug 52
Silver state turns to gold . Jan N7
Spotlight on Nevada's gold mining companies . . . . . Jan N39
Tenneco Minerals starts gold production in Utah . . . . . Jul 11
USBM research . . . . . Nov 56
Water-jet assist improves shearer performance . . . . . April 37
Vietnam
Vietnamese metallic mineral resources . . . . . Dec 31
Zimbabwe
Gold assaying for small mines . . . . . Jun 46

TITLE

3-D component modeling of thin-seam deposits . . . . . Jul 28
